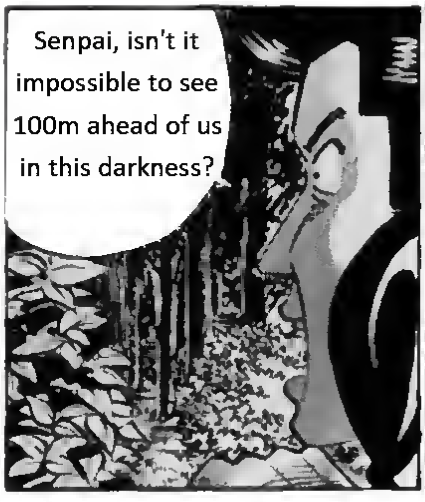
I can see it!
I can see it!
Case 33: Eyeball



Senpai, isn't it impossible to see 100m ahead of us in this darkness?

Eh!?
Where is it senpai, the spoils!?
About 100m straight in front of us

Seriously?

There's nothing I can't see, I can see the bodies of a man and a woman clashing together well

Case 33: EYEBALL

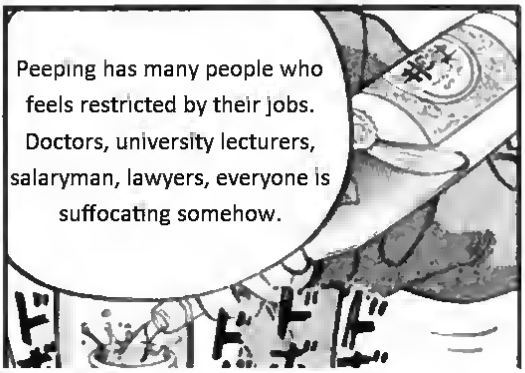
I'm kind of --
Seriously?
That small enterprise kind of felt like adultery right?
Behind the toilet, legs spread out far like that
The lady stupidly using her waist was all 'hii hii'
The middle aged couple the other day was pretty great

Sorry
Bring this missy oolong tea or something!!

Hey, Teacher!!
Ye~s

Thank you
Sorry to keep you waiting

That guy is a girl's school teacher
Teacher?



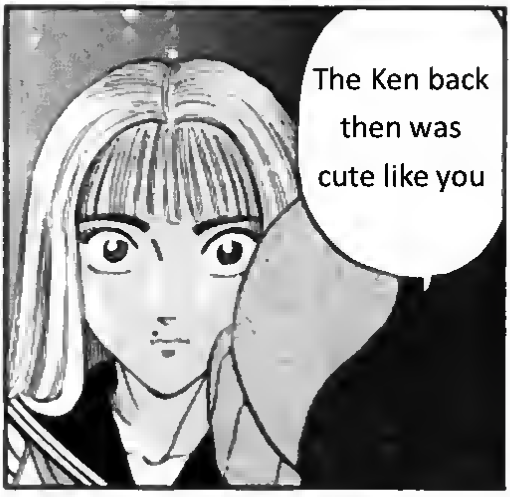
Peeping has many people who feels restricted by their jobs. Doctors, university lecturers, salaryman, lawyers, everyone is suffocating somehow.

Damn it!!
Ba-dump!
Did we not meet at school before?
Eh?
I heard high school girls these days are bold but...
Hoooo
Can I have some sake too?
Um...
Itadakimasu

Eh?
You want to ask about Ken right?
You want to accompany me to drink so you can ask me about Ken's past
.....
That kind of thing is cute.
That's all good, being young.

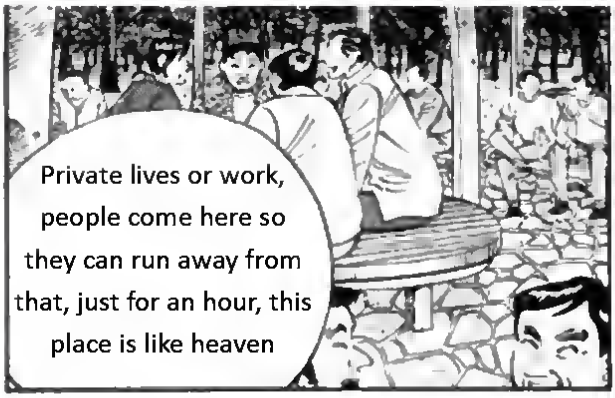
That guy, was it when he was in middle school or high school, but he came to this park a lot then

The park was warm back then
I thought he was trouble, and he was looked over by everyone too

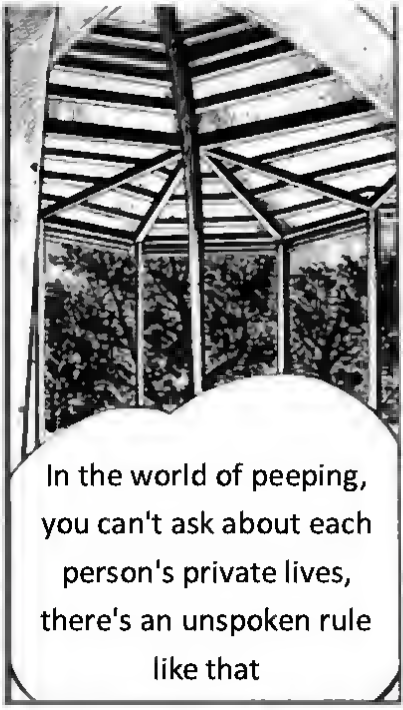


The Ken back then was cute like you

A short moment of warmth... In this park?
Well, this is the opening



Private lives or work, people come here so they can run away from that, just for an hour, this place is like heaven



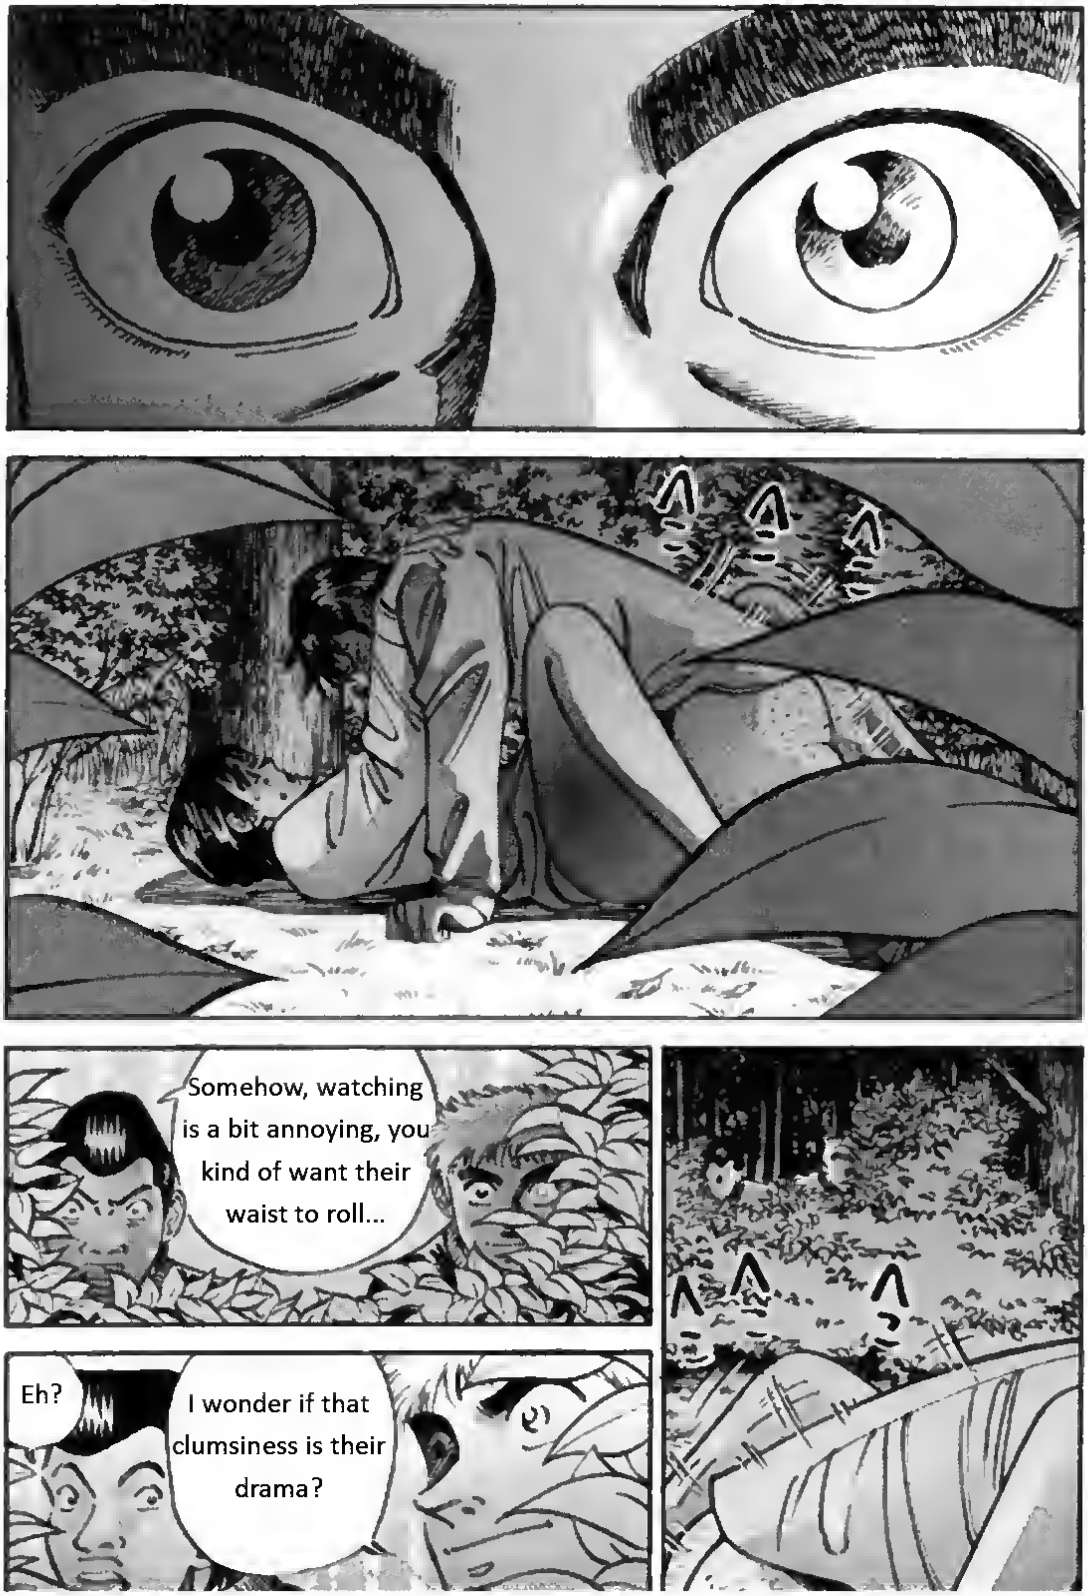
In the world of peeping, you can't ask about each person's private lives, there's an unspoken rule like that

Ken broke that rule

It's not enough for him to just peep on couples In the park
His peeping is different

What a scary guy
He peeped on his surrounding so thoroughly
For the peepers to be the peeped, that was no longer heaven, it's hell, and from that everyone dispersed
The personal lives, history of the peepers, he peeped on that too
It's more like selling his soul to the devil...
I've a peeping illness but, what Ken had was not just an illness

That's why I said you're charmed
It's an interest in a human being
No, it's not a romantic feeling
Don't trust Ken, because he himself doesn't trust anyone
It's better if you realise it
Or you'll be peeped to your bones
Be a bit careful



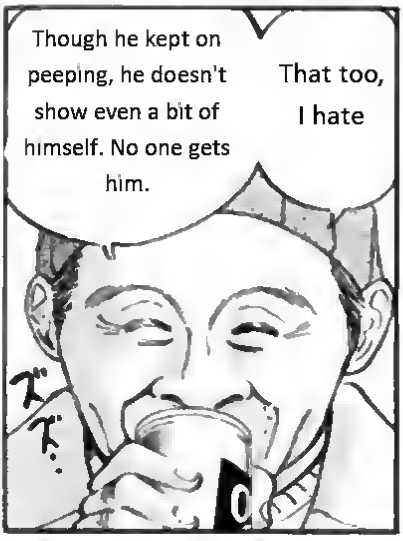
Somehow, watching is a bit annoying, you kind of want their waist to roll...
Eh?
I wonder if that clumsiness is their drama?

His experience doesn't match up, so
--- But, in reality when he got to that pussy, he moved his waist so clumsily
That man, aiming for the first experience with his girlfriend, worked hard by the manual book to reach her pussy
But that woman, she had already considered that and is leading the man along
The man completely doesn't realise it, he's all frantic
It's like come on, come on
Look at that face.
Being inside a woman is great huh?

What's with that?!
No one knows about Ken's private life

It's just there was this one thing before he ran from this park

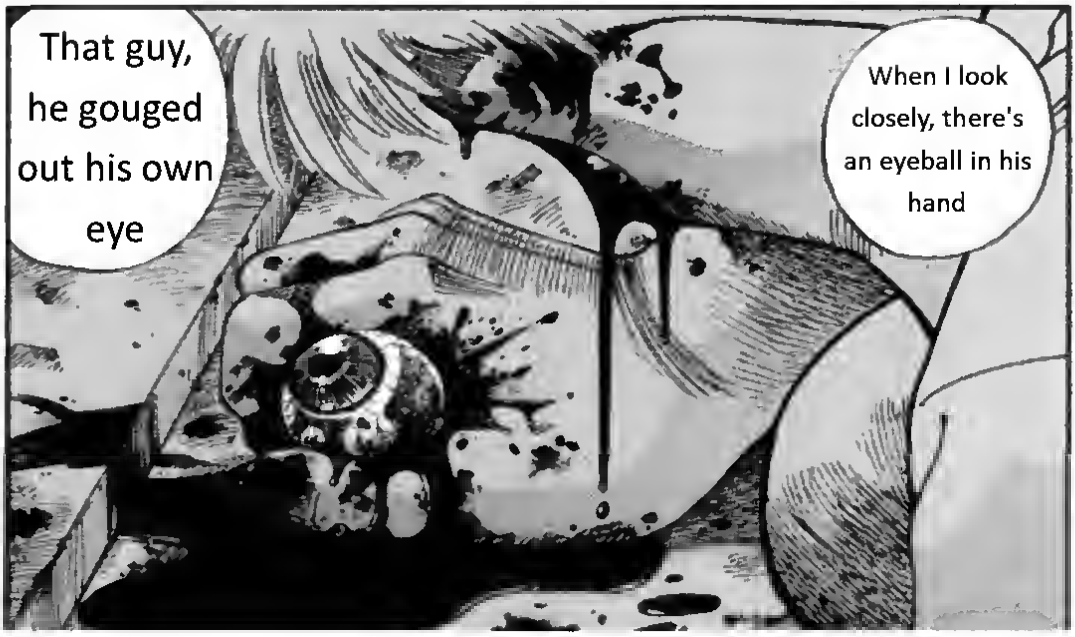
He doesn't show?



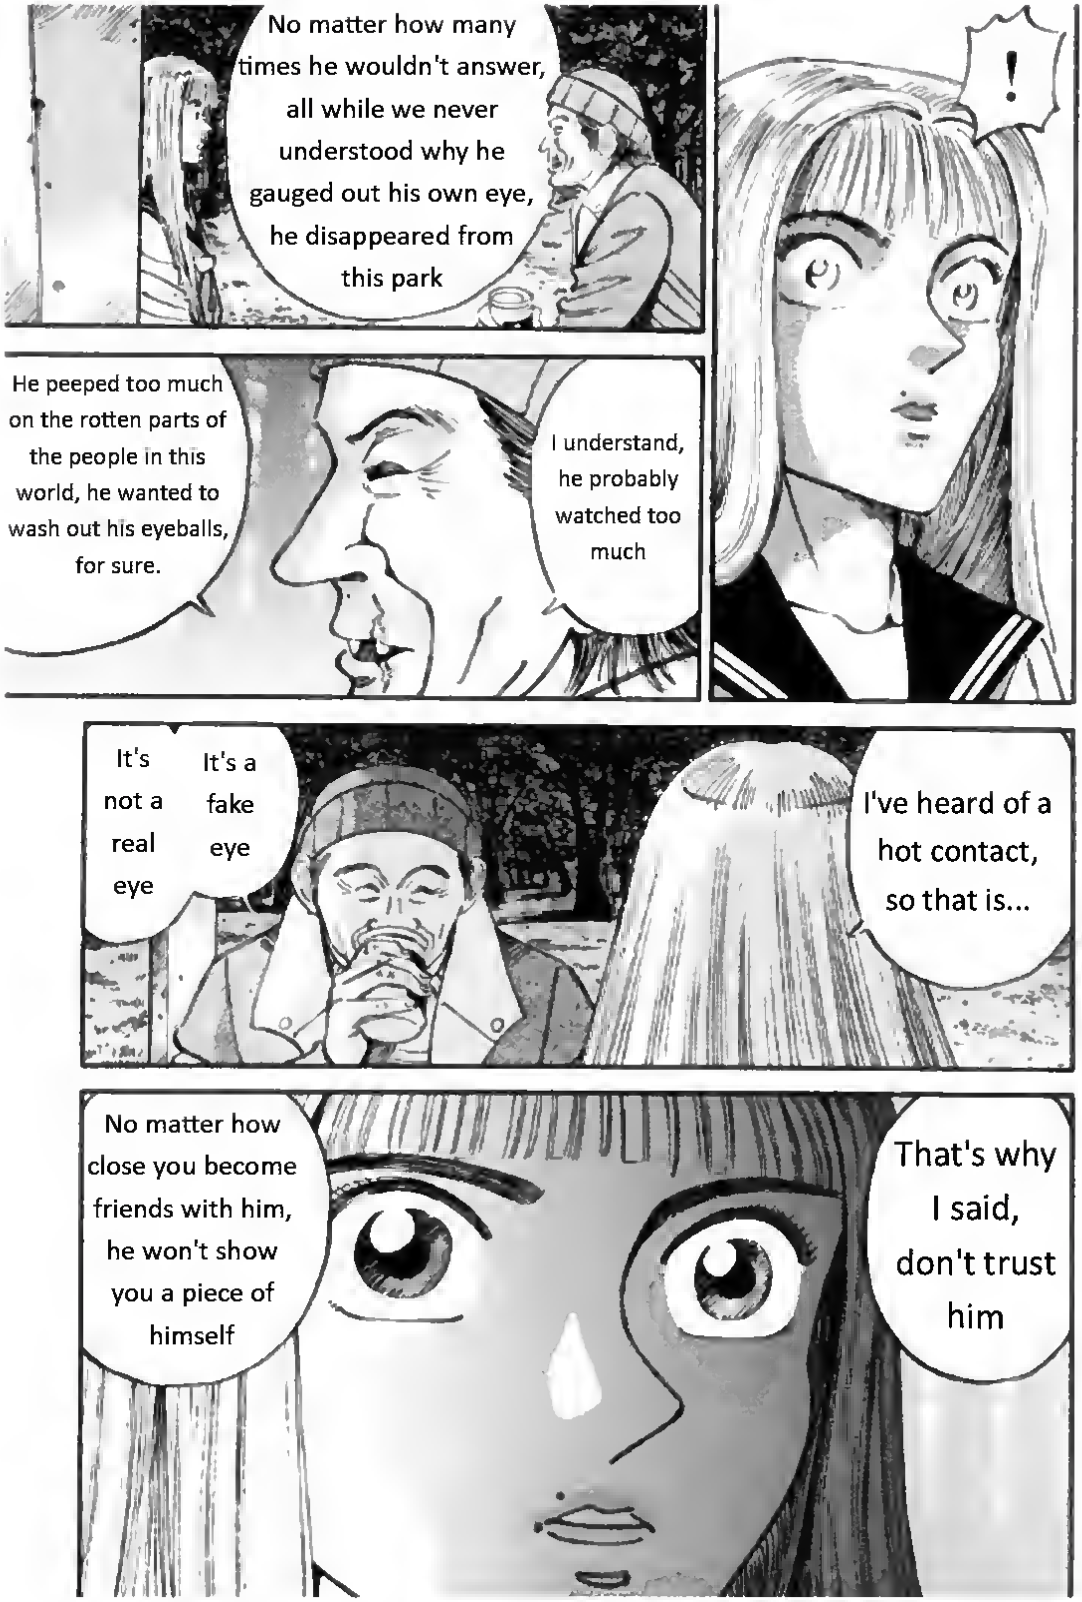
Though he kept on peeping, he doesn't show even a bit of himself. No one gets him.
That too, I hate

It wasn't nothing, so I ran up to see...
I heard a screaming voice from the northern toilet of the park

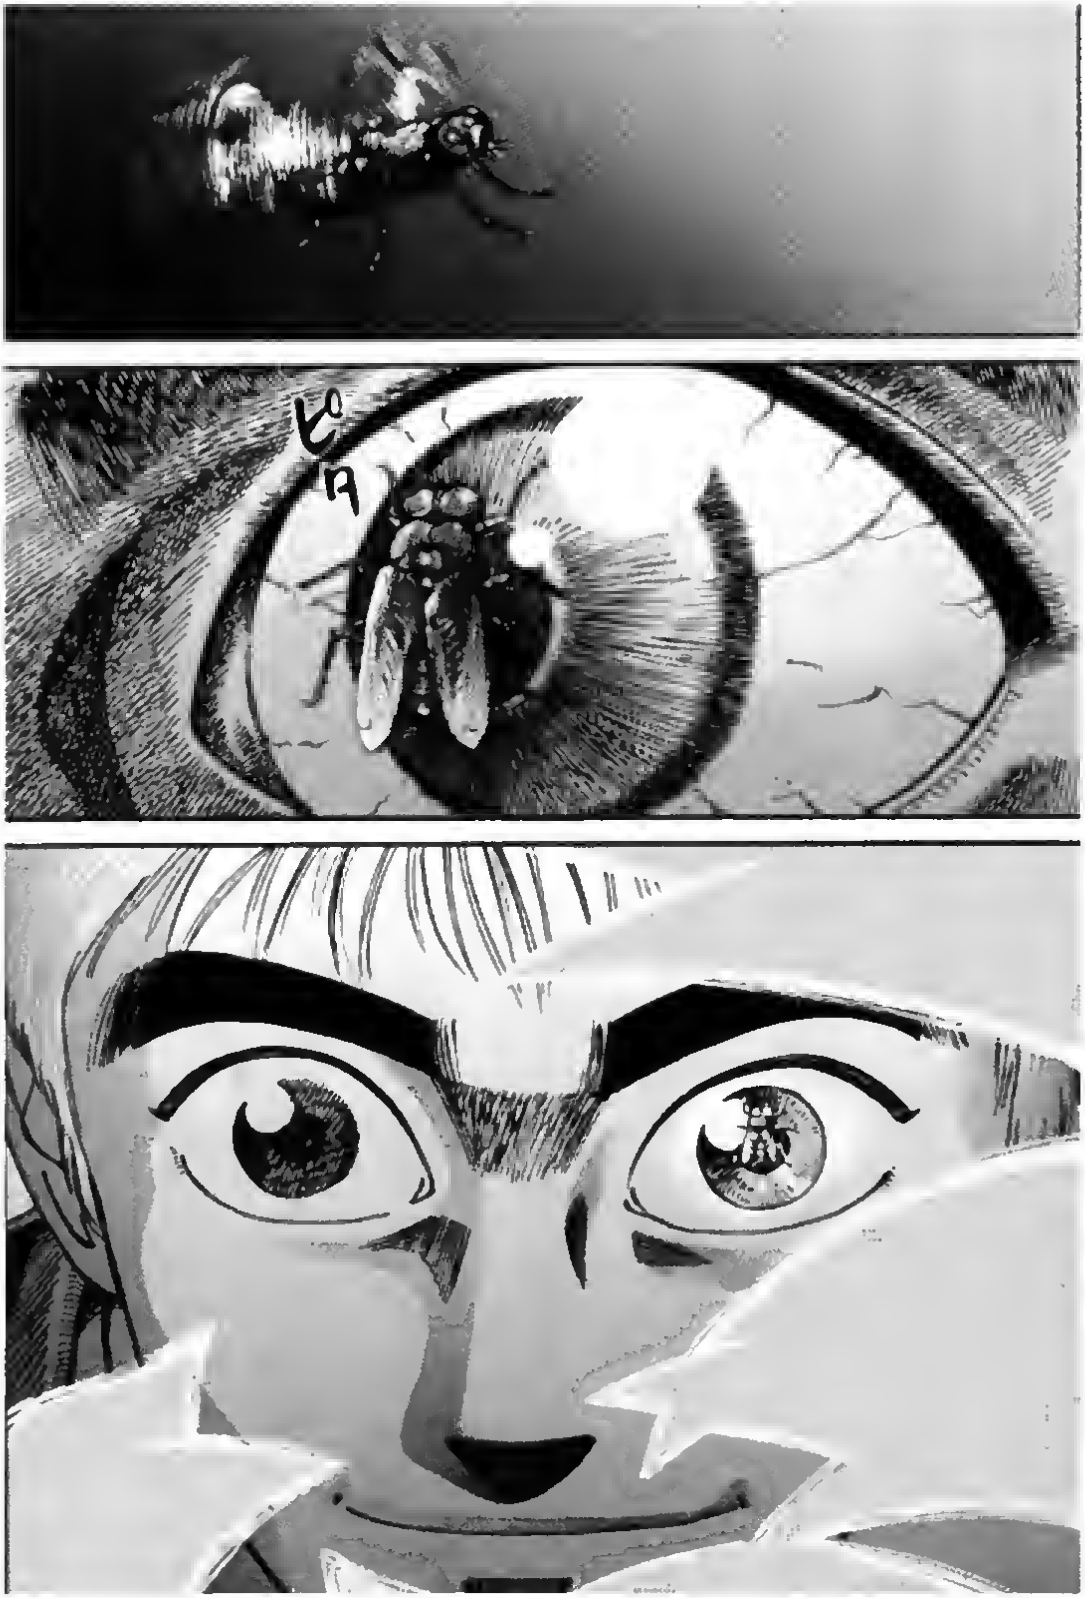
There was blood flowing out from his left eye
Ken, crouching down



That guy, he gouged out his own eye
When I look closely, there's an eyeball in his hand



No matter how many times he wouldn't answer, all while we never understood why he gauged out his own eye, he disappeared from this park
!
He peeped too much on the rotten parts of the people in this world, he wanted to wash out his eyeballs, for sure.
I understand, he probably watched too much
It's not a real eye
It's a fake eye
I've heard of a hot contact, so that is...
No matter how close you become friends with him, he won't show you a piece of himself
That's why I said, don't trust him



ピク

Ah...
Nn..
!
GROWL

Yea...
Yeah
Nn?
It's just a feeling, come on, don't be timid.
There was a strange sound....
.....
I didn't eat enough
I ate a single pizza bread this noon
Senpai are you hungry?
We'll get revealed by your stomach growling, you can have ramen around here...

Don't be stupid, we're in the middle of peeping, we can't take our eyes off for a second

ムミィ
ムミィ

Going that far...
S... senpai...
